

CURRICULUM VITAE

MARILYN ECKSTEIN LEVI, M.D.

OFFICE: University of Colorado Health Sciences Center **PHONE:** 720-848-0191
Infectious Diseases Group Practice **FAX:** 720-848-0192
Anschutz Outpatient Pavilion, 7th floor
Post Office Box 6510
Mail Stop B-163
Aurora, Colorado 80045

EDUCATION:

1976	B.A. /M.S., Elementary Education, Yeshiva University, New York, New York
1978	B.S., Physician's Assistant, Touro College, New York, New York
1987	M.D., University of Texas Southwestern Medical School, Dallas, Texas

POSTDOCTORAL TRAINING:

1987 - 1988	First Year Resident (Intern), Parkland Memorial Hospital and Dallas Veteran Affairs Medical Center, Dallas, Texas
1988 - 1990	Second and Third Year Resident, Internal Medicine, Parkland Memorial Hospital and Dallas Veterans Affairs Medical Center, Dallas, Texas

CLINICAL AND RESEARCH FELLOWSHIPS:

1990 – 1992	Clinical Fellow, Infectious Diseases, University of Texas Southwestern Medical School, Dallas, Texas
1992 – 1993	Research Fellow, Laboratory of Dr. Justin Radolf, Department of Internal Medicine, Division of Infectious Diseases and Microbiology, University of Texas Southwestern Medical School, Dallas, Texas

FACULTY APPOINTMENTS:

1993 – 2002	Clinical Assistant Professor, Department of Internal Medicine, University of Texas Southwestern Medical School, Dallas, Texas
2002 – present	Associate Professor, Department of Internal Medicine, Division of Infectious Diseases, University of Colorado Health Sciences Center, Denver, Colorado
2007-	Associate Professor, Department of Internal Medicine, Division of Infectious Diseases, Director of Transplant Infectious Diseases, University of Colorado Health Sciences Center, Denver, Colorado

AWARDS AND HONORS:

1983	Dean’s List, University of Colorado at Denver
1992	NIH Cancer Immunology Training Grant
1992	Searle Scholar Fellowship in Infectious Diseases
1999	Aesculapius Teaching Award, Internal Medicine, St. Paul Medical Center, Dallas, Texas
2001, 2002	Big D Magazine, “One of the Best Doctors in Dallas”

BOARD CERTIFICATIONS:

1991	American Board of Internal Medicine
1996	American Board of Internal Medicine, subspecialty in Infectious Diseases
2006	American Board of Internal Medicine, recertification in subspecialty, Infectious Diseases

LICENSURE:

Texas, #H4488, November 30, 1988, expired
Colorado, #40369, September, 2002

MEMBERSHIPS AND SOCIETIES:

1990 -	Member, American Society of Microbiology
1989 -	Member, American College of Physicians
1990 - 2002	Member, Texas Medical Society
1990 -	Member, Dallas County Medical Society
1994 -	Member, Infectious Diseases Society of America
1994- 2002	Member, Texas Infectious Diseases Society
2004-	Member, American Transplant Society
2007-	Member, American Transplant Society Infectious Diseases Community of Practice

2007- Member, Colorado branch of Infectious Diseases Society of America

HOSPITAL APPOINTMENTS AND CLINICAL EXPERIENCE:

1981 - 1982 Physician's Assistant, Community Health Plan of Suffolk, Happaage, New York

1982 - 1986 Physician's Assistant, After Hours Care Unit, Kaiser-Permanente, Denver, Colorado

1993 - 2002 Physician, Dallas ID Associates, Dallas, Texas

1993 - 2002 Active Attending Staff, St. Paul Medical Center, Dallas, Texas

1993 - 2002 Courtesy Staff, Irving Healthcare System, Irving, Texas

1993 -1998 Courtesy Staff, Columbia Medical Center of Lewisville, Lewisville, Texas

1993 - 1996 Consultant in Infection Control, AIDS Spectrum Unit, Integrated Health Systems at Tremont, Dallas, Texas

1993 -1998 Consulting Physician, Infectious Diseases, Medical Arts Hospital, Dallas, Texas

1993 -1998, 2001-Feb 2002 Consulting Physician, Infectious Diseases, Health South Medical Center, Dallas, Texas

1996 -1998 Consulting Physician, Infection Control, Horizon Specialty Hospital, Dallas, Texas

1998-2000 Consulting Physician, Infection Control, Lifecare Specialty Hospital, Dallas, Texas

1999-2002 Consulting Physician, Baylor Grapevine Hospital, Grapevine, Texas

2001-2002 Director, Infection Control and consulting physician, Lifecare Hospital, Dallas, Texas

2001-2002 Consulting Physician, Integrated Health Services, Dallas, Texas

2002- Attending Staff, University of Colorado Health Sciences Center, Denver, Colorado

2002- Attending Staff, Denver Veterans Administration Medical Center, Denver, Colorado

2007- Director, Transplant Infectious Diseases, University of Colorado Health Sciences Center, Denver, Colorado

TEACHING EXPERIENCE:

1990 Speaker, "Acquired Immunodeficiency Syndrome.", Texas Rehabilitation Commission, Dallas, Texas

1991 Speaker, "Acquired Immunodeficiency Syndrome.", Texas Rehabilitation Commission, Dallas, Texas

1992 Speaker, Sexually Transmitted Diseases Course at the Dallas County Health Department, "Sexually Transmitted Disease," Dallas, Texas

1993 Speaker, Sexually Transmitted Diseases Course at the University of Texas Southwestern Medical Center, "HIV and Syphilis," Dallas, Texas

1993 Speaker, "Acquired Immunodeficiency Syndrome," Texas Rehabilitation Commission, Dallas, Texas

1994 Lecturer, "Approach to the neutropenic patient with fever", "Tuberculosis", "Sexually Transmitted Diseases", "Diseases", "Fungal Diseases", "HIV and AIDS", "Parasitic Diseases", St. Paul Medical Center Internal Medicine program, Dallas, Texas, on ongoing basis

1994-2002

1994 "Update on AIDS", American Medical Women's Association, Dallas, Texas

1998 "Update on AIDS", American Medical Women's Association, Dallas, Texas

1999 "HIV in Women", UT Southwestern AIDS Update course, Dallas, Texas

2003 Preceptor, Mountain AIDS Education Training Grant

2003 "Bioterrorism" Internal Medicine Review Course, University of Colorado Health Sciences Center, Denver, Colorado

2003 Update on Endocarditis, St. Joseph Medical Center, Internal Medicine Housestaff training program

2003 "West Nile Virus", University of Colorado Health Sciences Center, Infectious Diseases fellowship program

2003 "Malaria", University of Colorado Health Sciences Center, Infectious Diseases fellowship program

2003 Pathophysiology course for 2nd year medical students, Infectious Diseases and Microbiology section, University of Colorado Medical School

2004 Preceptor, Mountain AIDS Education Training Grant

2004 "West Nile Virus", Controversies in Transplantation course, Breckenridge, Colorado, University of Colorado Health Sciences Center

2004 Update on Urinary Tract Infections, St. Joseph Medical Center, Internal Medicine Housestaff training program

2004 "West Nile Virus" presentation, Valley View Hospital medical staff, Glenwood Springs, Colorado

2004 "Sepsis 2004" presentation, Montrose Memorial Hospital medical staff, Montrose, Colorado

2004 Pathophysiology course for 2nd year medical students, Infectious Diseases and Microbiology section, University of Colorado Medical School

2004 "Emerging Infections of Global Importance", University of Colorado Health Sciences Center and Denver Health housestaff noon conference, Denver, Colorado

2004 "Multiresistant Cytomegalovirus Infection", University of Colorado Health Sciences Center Infectious Diseases Case Conference

2005 Preceptor, Mountain AIDS Education Training Grant

2005 “Ocular infections”, Infectious Diseases Fellowship program, University of Colorado Health Sciences Center

2005 Update on Urinary Tract Infections, St. Joseph’s Medical Center Internal Medicine Program, Denver, Colorado

2005 “Resistant Cytomegalovirus Infection in Renal Transplant Recipient”, Controversies in Transplantation course, Breckenridge, Colorado, University of Colorado Health Sciences Center

2005 “Update on West Nile Virus”, Yampa River Regional Medical Center, Steamboat Springs, Colorado

2005 Pathophysiology course for 2nd year medical students, Infectious Diseases and Microbiology section, University of Colorado Medical School

2006 Preceptor, Mountain AIDS Education Training Grant

2006 “Immune Reconstitution Syndrome – Mycobacterium Kansaii”, Case Conference, Division of Infectious Diseases, University of Colorado Health Sciences Center, Denver, Colorado

2006 Pathophysiology course for 2nd year medical students, Infectious Diseases and Microbiology section, University of Colorado Medical School

2006 “Epidemiology of Transplant Infections and Focus on Cytomegalovirus”, Transplant Seminar, University of Colorado Health Sciences Center, Denver, Colorado

2006 “Mucormycosis in a Liver Transplant Recipient”, Morbidity and Mortality Conference, Department of Internal Medicine, University of Colorado Health Sciences Center, Denver, Colorado

2007 Preceptor, Mountain AIDS Education Training Grant

2007 “Ocular Infections”, Infectious Diseases fellowship program, University of Colorado Health Sciences Center, Denver, Colorado

2007 Pathophysiology course for 2nd year medical students, Infectious Diseases and Microbiology section, University of Colorado Medical School

2007 “Malaria”, Infectious Diseases fellowship program, University of Colorado Health Sciences Center, Denver, Colorado

2007 “Urinary Tract Infections”, Internal Medicine program, St. Joseph’s Medical Center, Denver, Colorado

2007 “Immune Reconstitution Syndrome and Herpes Simplex hepatitis”, Case Conference, Infectious Diseases division, University of Colorado Health Sciences Center

2007 “Endocarditis 2007”, Department of Cardiothoracic Surgery, University of Colorado Health Sciences Center

2008 Preceptor, Mountain AIDS Education Training Grant

2008 “Update on Urinary Tract Infections”, Internal Medicine program, St. Joseph’s Hospital, Denver, Colorado

2008 “Mucormycosis in a Liver Transplant Recipient”, Controversies in Transplantation, Breckenridge,

Colorado, University of Colorado Health Sciences Center

2008 Pathophysiology course for 2nd year medical students, Infectious Diseases and Microbiology section, University of Colorado Medical School

2008 “Infections in Advanced HIV”, Community Advisory Board, University of Colorado Health Sciences Center, Denver, Colorado

2008 “Neutropenic Fevers”, Hematology/Oncology fellowship program, University of Colorado Health Sciences Center, Denver, Colorado

2008 “Managing Uncommon Infections: TB, Pneumocystis, West Nile Virus and Nocardia”, Advances in Transplantation, Contemporary Forums, Denver, Colorado

2008 “What’s new with West Nile Virus”, Bugs and Drugs lecture series, University of Colorado Denver

2009 Pathophysiology course for 2nd year medical students, Infectious Diseases and Microbiology section, University of Colorado Medical School

2009 Preceptor, Mountain AIDS Education Training Grant

2009 “Cases of Viral Infections in Solid Organ Transplant Recipients”, Pediatric and Adult Infectious Diseases Fellowship case management conference, University of Colorado, Denver

2009 “Infections in the Immunocompromised Host”, St. Joseph’s internal medicine residency program, infectious Diseases noon conference, Denver, Colorado

2009 “Infection Control After Transplantation”, Advanced Concepts in Organ Transplantation, University of Colorado Hospital, Aurora, Colorado

2009 “Neutropenic Fever”, Hematology/Oncology Educational Conference, University of Colorado Denver, Aurora, Colorado

2010 “Approach to the Immunocompromised Host” noon Conference, St. Joseph Medical Center Internal Medicine Program, Denver, Colorado

2010 “Head and Neck Infections”, Otolaryngology housestaff conference, University of Colorado Denver, Aurora, Colorado

2010 “Cases in Transplant Infectious Diseases”, Pediatric and Adult Infectious Diseases fellowship program, University of Colorado Denver, Aurora, Colorado

2010 “Viral Infections in Transplantation”, Heart and Lung Transplant Support Group, University of Colorado Denver

- 2010 “Transplant Infectious Diseases in Bone Marrow Transplant Recipients”, Internal Medicine Program, St. Joseph’s Hospital, ,Denver, Colorado
- 2010 “Transplant Infectious Diseases in Solid Organ Transplant Recipients”, Internal Medicine Program, St. Joseph’s Hospital, Denver, Colorado

PRESENTATIONS:

- 2005 West Nile Virus Seroprevalence and incidence of infection in a cohort of Colorado Transplant Recipients, 2004-2005, Levi, ME, Everson GT, presented at American Transplant Congress, Boston, Mass
- 2006 “Emerging Pathogens in the Immunosuppressed Patient”, National Kidney Foundation, Chicago, Illinois
- 2008 “Nerve Conduction Study and Electromyography aids in early identification of West Nile Infection in the Immunosuppressed”

Kaur, P., Ho, J., Levi, M, Grazia T, Tyler KL, Kleinschmidt-DeMasters BK, Quan D. Poster Session, American Association of Neuromuscular and Electrodiagnostic Medicine, September 2008, Rhode Island Convention Center, Providence, Rhode Island
- 2010 “ Identifying Communication Gaps for Solid Organ Transplant (SOT) Infection Management Among Infectious Disease Physicians (IDPs): An Emerging Infections Network (EIN) Survey”, Poster session, Infectious Diseases Society of America, Vancouver, Canada
- 2010 “Transplant Infectious Diseases 101”, Preceptor Workshop, Global Outreach Program, University of Colorado Denver, Aurora, Colorado

- 2011 A retrospective trial to evaluate the safety and efficacy of anidulafungin in individuals with hepatic dysfunction including liver transplant recipients, Poster session, European Congress of Clinical Microbiology and Infectious Diseases and International Congress of Chemotherapy, Milan, Italy
- 2011 “Lytic and Latent EBV Gene Expression in Transplant Recipients with and without Post-transplant Lymphoproliferative Disorder.” Kroll J, Li S, Levi M, Weinberg A. Oral presentation, Infectious Diseases Society of America, Boston, Massachusetts
- 2011 “Are we underdosing antibiotics with Continuous Renal Replacement Therapy?”, oral presentation, American Society of Nephrology, Philadelphia, Pa
- 2011 Transplant Infectious Diseases 101, Novartis preceptorship, University of Colorado, Aurora, Colorado

COMMITTEES:

- 1993 - 1997 Utilization Management Committee, St. Paul Medical Center, Dallas, Texas
- 1994 -1996 Infection Control Committee, Integrated Health Systems at Tremont, Dallas, Texas
- 1996 -1998 Director, Infection Control Committee, Horizon Specialty Hospital, Dallas, Texas
- 1997 - 2002 Co-Chairperson, Quality Improvement Committee, St. Paul Medical Center, Dallas, Texas
- 1997 - 2002 Member, Residency Review Committee, St. Paul Medical Center, Dallas, Texas
- 1999-2000, 2001-2002 Director, Infection Control Committee, Lifecare Specialty Hospital, Dallas, Texas
- 1999-2000 Member, St. Vincent’s Selection Committee, St. Paul Medical Center, Dallas, Texas
- 2004- Member, Antimicrobial Subcommittee of Pharmacy and Therapeutics Committee, University of Colorado Health Sciences Center, Denver, Colorado
- 2004- Medication Use Evaluation Subcommittee, University of Colorado Health Sciences Center
- 2005-2008 Member, Internal Medicine Intern Selection Committee, University of Colorado Health Sciences Center
- 2008- Steering Committee, Holocaust Contemporary Bioethics program, Department of Bioethics, University of Colorado Denver

GRANTS AND CONTRACTS:

- 1992 - 1996 Investigator, "A Phase II Multicenter Study of the Safety and Efficacy of MN rgp 120/HIV-1 Vaccine Compared with Placebo in HIV-1 Seropositive Subjects with CD4 Cell Counts Greater than 600 Cells/mm³, GENENTECH, Inc., San Francisco, California
- 1993 - 1994 Investigator, "A randomized, parallel group, double-blind, placebo-controlled, multicenter study of recombinant human growth hormone, (Saizen) in the treatment of HIV associated catabolism/wasting." Serono Laboratories, Inc., Norwell, Massachusetts
- 1993 - 1996 Investigator, "Therapy with recombinant human growth hormone (Saizen) for HIV associated weight loss as continuation treatment after Serono Protocol 5341." Serono Laboratories, Inc., Norwell, Massachusetts.
- 1994 - 1996 Principal Investigator, "Therapy with mammalian cell-derived recombinant human growth hormone for AIDS-associated catabolism/weight loss as continuation treatment after Serono Protocol 7033." Serono Laboratories, Inc., Norwell, Massachusetts.
- 1994 - 1996 Investigator, "A Randomized, Controlled, Multicenter Trial of Filgrastim (Recombinant-methionyl Human Granulocyte Colony Stimulating Factor) for the Prevention of Grade 4 Neutropenia in Patients with HIV Infection." Amgen Inc., Thousand Oaks, California.
- 1995 - 1996 Investigator, "A Phase III Comparative Trial of ABT-538 Alone, Zidovudine Alone, or the Combination of ABT-538 and Zidovudine in HIV-Infected Patients Without Prior Antiretroviral Therapy." Abbott Laboratories.
- 1995 - 1997 Investigator, "A Repeat Dose Safety and Efficacy Study of HIV-IT (V) in HIV-1 Infected Subjects with Greater than or Equal to 100 CD4+ T Cells and No AIDS Defining Symptoms." Viagene, San Diego, California.
- 1995 - 1996 Investigator, "A Multi-clinic, Double-Blind, Randomized, Eighteen-Month Study in HIV-I Seropositive Patients to Compare the Efficacy and Safety of MK-639, 800 mg q 8h, and Zidovudine, 200 mg q 8h, Administered Concomitantly to MK-693 Alone and Zidovudine Alone." Merck Laboratories.
- 1996 - 1997 12 Month Safety Study of Viracept Administered in Combination with either Continued or Modified Nucleoside Analogue Treatments in HIV Positive Patients with Advances Disease, Agouron Pharm, La Jolla, California.
- 1996 - 1997 Investigator, "An In Vitro Study of the Efficacy of Nelfinavir (Viracept)(AG1343) on HIV Viral Isolates from Patients Who Have Failed Treatment with Other HIV Protease Inhibitors." Agouron Pharmaceuticals Incorporated.
- 1997 - 1998 Investigator, "A Phase II Randomized, Double-Blind Placebo Controlled Study of Combination Drug Antiretroviral Therapy to Include a Reverse Transcriptase Inhibitor and a

	Protease Inhibitor Plus HIV-IT (V) or Placebo in Patients With CD4 Counts \geq 100, and HIV RNA \geq 1K, but \leq 10K,” Chiron Technologies, San Diego, California.
1997 - 1998	Investigator, “A Multicenter, Randomized, Controlled, Open Label Study to Determine The Efficacy of Filgrastim (r-metHuG-CSF) in the Reduction of Bacterial Infections in AIDS Patients,” Amgen, Thousand Oaks, California.
1997 - 1998	Investigator, “1592U89 Open Label Protocol for Adult Patients with HIV-1 Infection,” Glaxo Wellcome Inc., Research Triangle Park, North Carolina.
1997 - 1998	Investigator, “A Phase III, Randomized, Double-Blind, Multicenter Trial to Evaluate the Safety and Antiviral Efficacy of 141W94 in Combination with Retrovir and Epivir Compared to Retrovir and Epivir Alone in Patients with HIV Infection,” Glaxo Wellcome Inc., Research Triangle Park, North Carolina.
2004	Principle investigator, West Nile Virus Seroprevalence and Seroincidence Survey in Transplant Patients in Colorado with Clinical Correlation, 2004-2005 in conjunction with the Centers for Disease Control, Fort Collins, Colorado branch
2006	Principle investigator, “Promotion of personal protective behaviors against mosquito bites to reduce risk of West Nile Virus disease among organ transplant recipients”, in conjunction with the Centers for Diseases Control, Fort Collins, Colorado branch
2007	Principle investigator, “A randomized double-blind study to assess the efficacy and safety of prophylactic use of maribavir versus oral ganciclovir for the prevention of cytomegalovirus disease in recipients of orthotopic liver transplants”, multicenter trial, ViroPharma, Inc
2007	Correlation with Clinical Outcome and Neurologic Sequelae”, Poster presentation, American Transplant Congress, May 2007, San Fransisco, California
2007	“Evaluation of a West Nile Virus Prevention Education Intervention Among Organ Transplant Recipients, Colorado 2006”, Emily Zielinski-Gutierrez, DrPH, MPH, Marilyn Levi MD, Yvonne Fitzpatrick AAS, Alison Hinkley, PhD, Jennifer Lehman, Emerging Infectious Diseases Conference
2009	Co-principle investigator, “A Phase 2, Randomized, Double-Blind Placebo-Controlled Study to Evaluate the Safety and Efficacy of WGAWN1 in Subjects with Suspected Central Nervous System Infection Due to West Nile Virus, Macrogenics, Inc., Rockville, Maryland`
2009 - 2010	Multicenter Study of H1N1 Infections in Solid Organ and Hematopoetic Stem Cell Transplant Recipients, Principle Investigator, University of Colorado Denver site

2010 - Influenza Virus Infections in Transplant Recipients: A Multicenter Registry, University of Colorado Denver site

OUTSIDE ACTIVITIES:

2006 “Epidemiology of Transplant Infections”, “BK nephropathy”, “CMV infection in Transplantation”, “Fungal infections in Solid Organ Transplantation”, “Mycobacterium Tuberculosis Infections in Transplantation”, Lectures in Commissioned Training in Post Transplant Complications, Central Renal Committee, Hospital Authority, Hong Kong

2008- Abstract Reviewer, American Transplant Congress Infectious Diseases section

2008- Member, Donor Derived Infections Consensus Conference, Transplant Infectious Diseases Community of Practice, American Transplant Society

2010- Cardiothoracic Surgical Trials Network Infection Event Adjudication Committee

2011- Data Monitoring Review Board for CMX-001, Chimerix

AD HOC Reviewer:
