- 2007 Book chapter on community response to Columbine shooting put on website of The American Academy of Child and Adolescent Psychiatry as a resource of child and adolescent psychiatrists in the immediate aftermath of Virginia Tech shootings.

#### **VIII. EDUCATIONAL & CLINICAL PROGRAM DEVELOPMENT & INNOVATION**

- 1994 Development of highly regarded medical student clerkship rotation in adolescent psychiatry, Division of Child Psychiatry, University of Colorado School of Medicine, Denver, CO.
- 1994-1995 Development of psychopharmacology and substance abuse subspecialty services in Child and Adolescent Psychiatric Clinic, Division of Child Psychiatry, Denver, CO.
- 1995 Successful Negotiation of Contract awarded to resident Psychopharmacology Subspecialty Clinic, Child and Adolescent Psychiatric Clinic, Division of Child Psychiatry, University of Colorado School of Medicine, Denver, CO. Contract was with Kaiser Permanente to provide medication evaluations and management for all Kaiser Plan members with suspected autism.
- 1995 Creation of child psychiatry rotation for interns in general psychiatry, Department of Psychiatry, University of Colorado School of Medicine, Denver, CO.

#### **IX. NATIONAL/INVITED PRESENTATIONS:**

- May 1990 Attention Deficit Disorder in Children and Adolescents (Diagnosis and Practical Management), Teaching Conference, Longmont United Hospital, Longmont, CO.
- August 1990 The Assessment of Affective Disorders in Children and Adolescents, Training Conference, Colorado Division of Mental Health, Denver, CO.
- Sept. 1990 Suicide in Native American Adolescents, Teaching Conference, Bemidji Area, Indian Health Service, White Earth, Minnesota.
- Oct. 1990 Case Presentation and Panel Member, Treatment of Severe Adolescent Psychopathology: Current Perspectives and Controversies, Annual Meeting, Colorado Child and Adolescent Psychiatric Society, Denver, CO.
- Nov. 1990 Depression in Adolescence, lecture to general public, University of Colorado Health Sciences Center, Denver CO.
- March 1991 Adolescent Depression: Diagnosis & Adolescent Depression: Treatment, "Recent Advances in Psychopharmacology Series," University of Colorado School of Medicine, Denver, CO.
- April 1991 Adolescent Depression, Fitzsimons Medical Center, Aurora, CO.
- August 1991 Child and Adolescent Affective Disorders, Training Conference, Southwest Colorado Mental Health Center, Durango, CO.
- March 1992 A Proposed Protocol for Workups Required Prior to Prescription of Neuroleptics, Stimulants, Beta-Blockers, Anti-depressants, Lithium, Clonidine, and

- Carbamazepine: Medical Flow sheet Models and Abnormal Involuntary Movement Scale Examination (AIMS). Co-Presenter: Gordon Farley, M.D. University of Colorado School of Medicine, Division of Child Psychiatry Grand Rounds, Denver, CO.
- March 1993 Psychopharmacology Update. Co-presenter: Gordon Farley, M.D. University of University of Colorado School of Medicine, Division of Child Psychiatry Grand Rounds, Denver, CO.
- March 1993 Atypical Depression in Mood and Non-Mood Disordered Adolescents, Society of Professors of Child and Adolescent Psychiatry, San Juan, Puerto Rico.
- Dec. 1993 Discussant, Seclusion and Restraint. University of Colorado School of Medicine, Division of Child Psychiatry Grand Rounds, Denver, CO.
- Feb. 1994 Child and Adolescent Psychopharmacology: What the Non-Physician Mental Health Professional Needs to Know. Denver University School of Psychology, Denver, CO.
- March 1994 Psychological Issues in the Gifted Child. Parents' Meeting, Baccalaureate Program, George Washington High School, Denver, CO.
- April 1994 Adolescent Seclusion and Restraint: Effect of the Treatment Milieu, University of Colorado School of Medicine, Department of Psychiatry Grand Rounds, Denver, CO.
- Nov. 1994 Discussant, Recent Developments in Adolescent Depression, University of Colorado School of Medicine, Division of Child Psychiatry Grand Rounds, Denver, CO.
- May 1995 Discussant and Facilitator, Risk Management in Psychiatry (Part II of II). University of Colorado School of Medicine, Division of Child Psychiatry Grand Rounds, Denver, CO.
- June 1995 Presentation of research hypotheses on relationship between expressed emotion and drug efficacy in depressed adolescents, Young Investigators Symposium, NCEDU (New Clinical Drug Evaluation Unit) annual meeting, Orlando, Fla.
- Oct. 1995 The Psychiatric Evaluation and Treatment of Children and Adolescents in the Psychiatric Emergency Room, Emergency Psychiatric Service, University Hospital, Department of Patient Services & Nursing Education, Department of Psychiatry, University of Colorado School of Medicine, Denver CO.
- Nov. 1995 Child and Adolescent Depression, Cleo Wallace Center, Broomfield, CO.
- March 1999 Advances in the Treatment of Childhood Psychosis, "Twenty-Fifth Annual Advances in Clinical Psychiatry and Psychopharmacology", University of Louisville – School Of Medicine, Dept of Psychiatry and Behavioral Sciences with The Kentucky Psychiatric Association, Louisville, Kentucky.
- May 1999 Posttraumatic Stress Disorder in Children: The Columbine High School Tragedy, Lutheran Medical Center, Wheatridge, Colorado.
- Feb. 2001 Child and Adolescent Depression – What the Clinician Need to Know, at conference entitled "Child and Adolescent Depression", The Colorado Association for School-Based Care, Denver, CO.
- April 2001 Children's Behavioral and Mental Health Concerns – What Parents Need to Know, Parents' Association, Cherry Creek School District, Greenwood Village, CO.
- May 2001 Child and Adolescent Depression: What Parents Need to Know, National Association for the Mentally Ill (NAMI) Denver, CO
- Oct 2001 Understanding Severe Depression in Children and Adolescents, "Recovery 1<sup>st</sup>": New

- Horizons in Mental Health”, NAMI, Colorado.
- March 2002 Use of Medication in Treatment of Children and Adolescents with Psychiatric Symptoms, Invisible Child Conference, Westminster, CO.
- April 2002 Treatment Resistance in Adolescent Depression: The Impact of Family Stress and Previously Undiagnosed ADHD, University of Colorado School of Medicine, Department of Psychiatry Grand Rounds, Denver, CO.
- April 2003 Depression in Children and Teens, Invisible Child Conference, Westminster, CO.
- April 2003 New Research on Adolescent Depression, Course in child and adolescent psychiatry for general psychiatry residents, Department of Psychiatry, University of Colorado School of Medicine, Denver CO.
- May 2003 Treatment of Child and Adolescent Depression: What the Pediatrician Needs to Know, Littleton Adventist Hospital, Department of Pediatrics, Littleton, CO.
- Oct. 2003 Depression in Adolescence. The Psychiatric/Medicine Interest Group (for “medical students interested in behavioral medicine and psychiatry, no matter their specialty interests”). University of Colorado School of Medicine, Department of Psychiatry, Denver, CO.
- Feb 2004 New Research on Adolescent Depression, Course in child and adolescent psychiatry for general psychiatry residents, Department of Psychiatry, University of Colorado School of Medicine, Denver CO.
- Feb 2005 New Research on Adolescent Depression – Part I, Course in child and adolescent psychiatry for general psychiatry residents, Department of Psychiatry, University of Colorado School of Medicine, Denver CO.
- Feb 2005 New Research on Adolescent Depression – Part II, Course in child and adolescent psychiatry for general psychiatry residents, Department of Psychiatry, University of Colorado School of Medicine, Denver CO.
- Mar 2005 Assessing Suicidal Behavior In Youth, annual meeting of Colorado Child and Adolescent Psychiatric Society. Conference entitled “Adolescent Depression: What Works and is it Safe?”
- Mar 2005 ADHD and Giftedness: The Psychiatrist’s Perspective, at panel discussion entitled “Taming the Tiger: Handling Giftedness and ADD/ADHD”; Cherry Creek High School, Greenwood Village, CO. Sponsored by Cherry Creek School’s District Office for Gifted and Talented.
- Mar 2006 ADHD and the Underachieving Gifted Student, at conference entitled “An Evening of Twice Exceptionalities”. Centennial, CO. Sponsored by the Cherry Creek Association for the Gifted and Talented.
- Sept 2007 Violence at Work and School: What is the Role of Mental Illness? Faculty Member for nationally broadcast CME activity presented by Massachusetts General Hospital Psychiatry Academy. Was asked to participate in this conference because of national reputation on school violence related to involvement in response to and writing of book chapter on Columbine High School shootings.
- Nov 2007 ADHD and Giftedness: The Psychiatrist’s Perspective, at conference entitled “Taming the Tiger: Handling Giftedness and ADD/ADHD”; Cherry Creek High School, Greenwood Village, CO.

- July 2008 Pediatric Depression: Evaluation and Prescription. Colorado Academy of Family Physicians, 2008 Annual Scientific Conference, Estes Park, Colorado.
- Nov 2008 Clinical Considerations in Evaluating Patients' Desires to Withdraw Life-Sustaining Treatment. Part of Workshop entitled *Psychiatric Consultation at the End of Life: Clinical and Ethical Considerations in the Decision to Withdraw Life-Sustaining Treatment in a Ventilatory-Dependent Conscious Man with Recent High Quadriplegia*. Academy of Psychosomatic Medicine 55<sup>th</sup> Annual Meeting, Miami, Florida.
- Jan 2009 Adolescent Substance and Conduct Problems: A Review through Clinical Cases. University of Colorado Denver, School of Medicine, Department of Psychiatry Grand Rounds, Denver, CO. Was co-presenter with Dr. Joseph Sakai and clinician-administrator, Gilbert Chavez, providing an overview of the topic via discussion of cases representative of the population at Synergy, a treatment facility for adolescents with substance dependence in the Addiction Research and Treatment Services, Department of Psychiatry, University of Colorado Denver.

#### **X. Research Training and Experience**

- 1990 Training in use of the Childhood Schedule for Affective Disorders and Schizophrenia (K-SADS) by William Sack and his research team, Oregon Health Sciences Center, Portland, Oregon.
- 1991 Training in use of Diagnostic Interview for Children (DISC). Training done at University of Colorado Health Sciences Center by Columbia colleague of David Shaffer, M.D., one of the developers of DISC. Of 10 people doing training, was rated by Dr. Shaffer's colleague as one of the two most skilled at administering the interview.
- 1991 Senior member of research team that administered DISC to 64 Native American adolescent subjects in Tahlequah, Oklahoma. Reviewed and supervised administration of DISCs by junior research assistants.
- 1992 Training in use of Family History-Research Diagnostic Criteria (FH-RDC), a semi-structured research interview, by David Miklowitz, an internationally known expert on the impact of family stressors and expressed emotion on clinical course and relapse in psychiatric patients.
- 1992-1993 NIMH/Society of Professors of Child and Adolescent Psychiatry Research Mentorship. Studied adolescent depression under the mentorship of Barbara Geller, M.D., internationally known expert on drug treatment of pediatric mood disorders.
- 1994 "Biostatistics Short Course", a brief overview of statistics, National Jewish Medical and Research Center, Denver CO.
- 1995 Training and certification in use of Five Minute Speech Sample (FMSS), a measure of expressed emotion, by Ana Magana-Amato, one of the instrument's creators.
- 1995-1996 Course in Research Methods and Design, directed by James Shore, Chairman, Department of Psychiatry, University of Colorado School of Medicine, Denver, CO.
- 2005 Fourth Annual Clinical Trials Workshop In Psychopharmacology. Sponsored by The American Society of Clinical Psychopharmacology, The Zucker Hillside Hospital,

and NIMH. New York, NY.

### **XI. Grants and Contracts**

- 1996-1998 *Pilot Drug Study of Luvox in Depressed Adolescents*, Pharmacia & Upjohn, \$5,000 unrestricted educational grant; Solvay Pharmaceuticals, Inc., \$1000 unrestricted educational grant; General Clinical Research Center support through the Public Health Services, Research Grant 5 02 RR00051, Division of Research Resources.
- 1998-1999 Lilly Research Laboratories Weintraub (Investigator)  
Eli Lilly and Company  
*Fluoxetine Versus Placebo in Childhood/Adolescent Depression*  
This was a multi-site study testing the efficacy of fluoxetine in depressed children and adolescents. It led to the FDA approval of Prozac in the treatment of child and adolescent depression.
- 1998-2004 1K08MH01572-05 Weintraub (PI) NIH/NIMH  
*Family Influences on Drug Response in Youth Depression – A Mentored Clinical Scientist Development Award* examining the impact of family stress on drug response in adolescent depression.
- 2002-2005 RO1MH068126 Weintraub (Investigator) NIH  
*Exploring Diabetes and Depression in Youth*
- 2003-2006 T114373 Weintraub (Treating Psychiatrist) CSAT/SAMHSA  
*Contingency Based Treatment and Housing for Young Adults*
- 2005-2006 5R01DA013176 Weintraub (Co-Investigator) NIDA  
*Substance Dependent Teens- Impact of Treating Depression*
- 2005- COMIRB Protocol 05-0116 Weintraub (Investigator) Actelion & General Clinical Research Center, University of Colorado at Denver and Health Sciences Center.  
*Depressive Symptoms in Pulmonary Arterial Hypertension: Pilot Study to Determine the Prevalence of Depressive Symptoms and Their Impact on Quality of Life and Health Status*
- 2006-2008 R01 HL61753 Weintraub (Investigator) NIH, NHLBI  
*Coronary Artery Calcification in Type 1 Diabetes*
- 2008-2009 MH077364 Weintraub (Advisor) NIMH  
*Exercise Prescription Toolbox for Depression and Anxiety: A Tailored Web-based Curriculum*  
The proposed website program is being designed to help mental health practitioners provide counseling to individuals with depressive disorders about the possible therapeutic benefits of physical activity and exercise. The goals of the website will

include 1) education of mental health providers about the role of exercise in treatment of depression and non-psychiatric co-morbid disorders like diabetes and cardiovascular disease and 2) encouragement of increased counseling to deal with barriers to using exercise by depressed individuals.

2008-2010 R34MH082153-001 Weintraub (Multiple PI) NIMH  
*Adapting Exercise Treatment for Depression to Adolescents: A Pilot Study*

## **XII Reviewer for Journals**

1998 Acta Psychiatrica Scandinavica  
2001 American Journal of Psychiatry  
2004 Journal of Pediatric Gastroenterology and Nutrition  
2004 Diabetes Care
