## GRANT/RESEARCH ACTIVITY

### Funded Research:

Grant Name: Quality Improvement and Small Grants Program  
Funding Agency: University of Colorado Hospital/School of Medicine  
Title: **"Development and Validation of a Clinical Pharmacy Priority Score (CP2 Score) to identify patients who would benefit from a Clinical Pharmacist intervention"**  
Role: Co-Investigator.  
Funding Amount: \$10,000

Dates: July 2012 to July 2015  
Description: The goal of this study was to develop and validate a tool to identify patients who from the electronic medical record would most benefit from a clinical pharmacist

Grant Name: Primary Care Strategic Initiative  
Funding Agency: University of Colorado Hospital/School of Medicine  
Title: **“Utilizing Electronic Clinical Pharmacy Consults to Improve Patient Outcomes and Maximize Provider Efficiency”**  
Role: Co-Investigator.  
Funding Amount: \$25,000  
Dates: July 2011 to June 2012  
Description: The goal of this study is to develop a process for conducting clinical pharmacist consults from a remote location. This will allow expanded clinical pharmacy services within the University of Colorado Health System in a cost-effective manner
